BRADDEN KYLE BROWN)

REPORT AND RECOMMENDATION

On June 9, 2025, this Court conducted a plea hearing pursuant to 28 U.S.C. § 636(b). At the hearing, Defendant moved to withdraw his not guilty plea to Count Two of the two count Indictment and entered a plea of guilty to Count Two of the Indictment in exchange for the undertakings made by the Government in the written amended plea agreement [Doc. 34]. On the basis of the record made at the hearing, this Court finds: (1) Defendant is fully capable and competent to enter an informed plea; (2) Defendant made the plea knowingly and with full understanding of each of the rights he waived; (3) Defendant made the plea voluntarily and free from any force, threats, or promises, apart from the promises in the amended plea agreement; (4) Defendant understands the nature of the charge and penalties provided by law; and (5) the plea has a sufficient basis in fact.

Therefore, this Court **RECOMMENDS** Defendant's motion to withdraw his not guilty plea to Count Two of the Indictment be granted, his plea of guilty to Count Two of the Indictment be accepted, the District Judge adjudicate Defendant guilty of the charges set forth in Count Two of the Indictment, and a decision on whether to accept the plea agreement be deferred until sentencing. This Court further **RECOMMENDS** Defendant remain in custody until sentencing in this matter. Acceptance of the plea, adjudication of guilt, acceptance of the amended plea agreement [Doc. 34], and imposition of sentence are specifically reserved for the District Judge.
